LESSON RULES AND AGREEMENTS

1. All lessons are either a half hour or an hour long. Each of those lessons will consist of getting the student's horse or pony, grooming and tacking up the horse or pony, mounted time in the saddle, untacking the horse or pony and grooming where the saddle and girth were and returning the horse or pony to it's stall or pasture.

2. You are expected to arrive at your lesson 5 minutes prior to your start time. If you are late, unfortunately unless I have time to let the lesson run over, your lesson will end at the scheduled time. I am very flexible and do my best to accommodate everyone to the very best of my abilities.

UNFORTUNATELY ANY LESSONS CANCELLED LESS THAN 12 HOURS PRIOR TO SCHEDULED LESSON TIME WILL BE CHARGED IN FULL UNLESS THERE IS A EMERGENCY SITUATION.

I teach a lot of lessons and I try to fit everyone in to the schedule so any cancelled lessons less than 12 hours prior takes that spot out of my schedule for another student.

3. All rider's must show up with long pants and closed shoes with a heel. Please bring a riding helmet if you child has one, otherwise I have plenty they may use. Bike helmets are not acceptable as they are not at the safety rating that an equine riding helmet is.
